

Dental PPO – What’s in it for you?

You can choose from a **large network** of carefully selected, pre-screened dentists

You’ll typically pay **30-45%** less than the average charges in the same area^{D1}

Usually your **dentist handles claims** – meaning less paperwork for you

You’ll have easy access to **pre-treatment estimates, real-time claims processing** and **24-hour customer service**
