What's Not Covered?

Like most insurance plans, this plan has exclusions. Supplemental and Dependent Life Insurance does not provide payment of benefits for death caused by suicide within the first two years (one year for group policies issued in Missouri, North Dakota and Colorado) of the effective date of the certificate or an increase in coverage. This exclusionary period is one year for residents of Missouri and North Dakota. If the group policy was issued in Massachusetts, the suicide exclusion does not apply to dependent life coverage. The suicide exclusion does not apply to residents of Washington, or to individuals covered under a group policy issued in Washington.

Please note that a reduction schedule may apply. Please see your certificate for specific details.

Accidental Death & Dismemberment (AD&D) coverage complements your Basic Life insurance coverage and helps protect you 24 hours a day, 365 days a year.

Accidental Death & Dismemberment Coverage Options

This valuable coverage benefits beyond your disability or life insurance for losses due to covered accidents — including while commuting, traveling by public or private transportation and during business trips. MetLife's AD&D insurance pays you benefits if you suffer a covered accident that results in paralysis or the loss of a limb, speech, hearing or sight, or brain damage or coma. If you suffer a covered fatal accident, benefits will be paid to your beneficiary.

Standard Additional Benefits Include

Some of the standard additional benefits included in your coverage that may increase the amounts payable to you and/or defray additional expenses that result from accidental injury or loss of life are:

- Air Bag
- Common Carrier
- Seat Belt

What Is Not Covered by AD&D?

AD&D insurance does not include payment for any loss which is caused by or contributed to by: physical or mental illness, diagnosis of or treatment of the illness; an infection, unless caused by an external wound accidentally sustained or from food poisoning; suicide or attempted suicide; injuring oneself on purpose; the voluntary intake or use by any means of any drug, medication or sedative, unless taken as prescribed by a doctor or an over-the-counter drug taken as directed; voluntary intake of alcohol in combination with any drug, medication or sedative; war, whether declared or undeclared, or act of war, insurrection, rebellion or active participation in a riot;

- Powers of attorney allow you to plan ahead by designating someone you know and trust to act on your behalf in the event of unexpected occurrences or if you become incapacitated
