## Why Spot is Worth It

Spot Pet Insurance can reimburse up to 90% of eligible vet bills! Having financial support for an unexpected vet bill helps pet parents say "yes" to the best medical care with less worry about the cost.

### Picture this...

At 9PM on a Saturday night, you notice your pup is not acting like themselves.

They're refusing to play, and soon after become unable to keep their food down. Worried, you rush them to the nearest emergency vet.

You leave two hours later, relieved that your pup will be okay, but holding a \$700 bill. With a Spot policy, you can return home and focus on your pet's care rather than your unexpected bill.
